Mayor Fiorentini Announces City Ice Skating Rinks Are Open This Weekend, Again!

Today, Mayor James J. Fiorentini announced that the 3 city ice skating rinks will open again this weekend for everyone to enjoy. This winter has been a challenge with warm temperatures, making the ice rinks into pools. The 3 rinks are located at Riverside Park, GAR Park and Swasey Field. The rinks are open daily from 8AM until 8PM. The lights are on at night for skaters at Riverside Park to enjoy the rink. The city has provided free skating for the last 5 years.

Mayor James J. Fiorentini stated:

“Our city rinks are open for families to enjoy. There is night skating at Riverside Park.

“The 3 free ice skating rinks around the city give’s residents an opportunity to enjoy the outdoors and spend time with family and friends.”
